I love the snow and the mountains. I feel at home there. I live in a city and there is no snow here, but in the holidays, I always go to the mountains with my family. I sometimes go snowboarding with mum, but I often go with my little sister and other young people. Mum usually skis with my dad, and my sister and I like spending more time in the snow than they do. It's usually quiet. When we're in the mountains, I go snowboarding every day and I'm getting really good. I often think about the future – I want to be a famous snowboarder one day, like Max Parrot. Oh, and I'm goofy-foot – that means I put my right foot at the front of the board.

1 **Look at the photos of the sports and games. What can you see?** **2** **Read the three texts and match them to the photos.**

GILLI-DANDA

2

CYCLE-BALL 1

This is an ancient sport from India. The players use two things: one long stick, called a **danda** and a short egg-shaped bat, called a **gilli**. There are two teams. One player puts the **gilli** on the ground inside a small circle and hits it into the air with the **danda**. Then the player hits the **gilli** again and runs to touch a spot outside the circle to get a point.

This sport is like football on bikes. There are two teams. Each team has usually got two players. The bikes don't have any brakes to stop them. Players in each team try to hit the ball into the goal. They can use their bike or their heads to do this. The ball is quite heavy – it weighs half a kilogram. The winning team is the team with the most goals at the end of the game.

B

3

SH OCTOPU

C

The sport is also called **underwater hockey**. There are two teams. Each team has got six players. Players swim underwater to play this game. They use small sticks and a puck. The puck is a little like a flat ball. It's heavy and weighs about a kilogram. Players try to push the puck along the bottom of a swimming pool into the other team's goal. The winning team is the team with the most goals at the end of the match.

3 Read the three texts again. Are the sentences right (✓) or wrong (✗)?

1 There are always two players in a cycle-ball team.
2 Cycle-ball players can't hit the ball with their hands.
3 The ball in cycle-ball is small and light. **4** **Gilli-danda** comes from India.
5 Players use a small ball in **gilli-danda.** **6** Sticks and bats in **gilli-danda** are the same size. **7** People play octopush in teams.
8 Players in octopush hit the ball, or puck, with their hands.

TALKING POINTS

B Diego – Mexico

I get up at 8.00 a.m. For breakfast I have cereal and milk, with orange **juice**. After breakfast, I meet my friend, and we go to school together on the metro. School usually finishes at 2.45, and after that, I go to music lessons or drama club. I have a **snack** in the evening before bed.

A Onni – Finland

I wake up at 6.00 a.m., have a shower and put on my uniform. My breakfast is coffee, with bread and cheese or avocado. At 7.00 a.m., it's time to go to school. Sometimes I walk, but often my mum drives me. Classes begin at 8.00 and finish at 2.30.

After that, I have my art class. I have **lunch** at about 3.00, and then I do my homework. I do it till 6.00 or 7.00. After that, I go on the internet or watch TV with my family. I have **dinner** at about 8.00.

C Aban – Ghana

My mother wakes me and my sister up at 5.00 a.m. I water the plants in the garden, and my sister prepares the food for the evening meal. Then we put on our school uniforms and brush our teeth. We leave the house at 6.30 and buy **breakfast** on our way to school. Lessons are from 7.30 to 2.30 p.m. Lunch is at school – today, it's rice and tomatoes. I like it, but my sister doesn't! 5 Spark lives a long way from the city.
6 Spark doesn't need to perform live for people to hear his music.

Why not make a music video too? Then it doesn't matter where you live. Ask your parents or someone from school if it's okay, and they can show you how to do it. Then you can upload the video to a social network like YouTube or Instagram. That's how Shawn Mendes became famous!

You already write and perform your own songs. Great! Next step: record an album using computer software and post it online. You don't need a record deal. College courses are a really useful way to learn how to do this and can give you other ideas too. Ask at your school.

Music is an important part of your life. Stay with your friends for the moment but think about going to a music school. These schools teach music and everything you need to know about becoming a musician. Talk to your parents about it. Good luck!

PREPARE TO WRITE

A description of a party

GET READY Read the text and answer these questions. Whose party was it? Where was it? What time was it? What food was at the party?

I was at my best friend's birthday party last month. Her name's Isabella and the party was at her house on 12th May, from 6 p.m. to 9 p.m. It was a really big party. All her friends and family were there, and we were so excited about it. There was lots of food – pizza, salad and, of course, cake! It was all really nice. Isabella was nervous before the party, but she was fine when everyone was there. It was a really brilliant evening!

Now find all the adjectives. Which describe the party and the food, and which describe how the people felt?

Put the adjectives in the correct place.
1 There was some food at the party. (nice) 2 There were lots of people. (happy)
3 This is music! (terrible)
4 Jake is a dancer. (brilliant)

PLAN Make notes about a party you were at. Use the questions in ***Get ready*** to help you.

WRITE Write a paragraph about the party.

IMPROVE In pairs, read each other's stories. Check for mistakes. Give your partner two ideas to make their paragraph better. Use your partner's advice and rewrite your paragraph.

Bored Best Friend

Dear ,
It's important for you and your sister to agree because you haven't got a lot of time. Make a list of good things about each present to help you decide. Then go shopping and choose the present together. Try to find a win–win solution. Enjoy shopping and happy birthday to your brother! Danny

Dear Danny,
I have a problem. My best friend is often not nice to our maths teacher. She doesn't listen, she never does her homework and she says bad things about the teacher. I tell her to stop, but she gets angry with me. What can I do? Thanks for your help.
Unhappy Friend

Dear ,
This is often a problem with friends and family. You can talk to your friend and ask to do something different, or you can talk to your friend about how you feel. Maybe agree to disagree. In that case, go to the cinema alone or with another friend.
Good luck! Danny

3

Dear Danny,
It's my brother's birthday at the weekend. My sister wants to buy him a T-shirt, but I want to buy him a book. We have only £15 and only one day to go shopping. What do you think?
Birthday Brother

What do you do then?

Dear ,
I think it's a good idea to talk to your friend and tell her to stop. You can tell her that it's important to be good in class and that you don't like what she's doing. Is she finding maths difficult? Does your friend need help studying? Listen carefully to your friend to help her. Enjoy your lessons at school!
Good luck! Danny

It's a team sport and there are usually three players in each team. Players hit the small tennis ball to players in the other team.

But they don't use bats or rackets to hit the ball. They use tambourines. Have a look at the photo. Yes, the players have got tam bourines in their hands. The Italian word for tambourine is tamburello. That's how the sport gets its name.

A player in one team hits the ball over the line to players in the other team. A player in the other team hits it back. When a player doesn't hit the ball or when the ball goes too far, the other team wins a point. There are four points in each game. That's the same as the points in tennis.

When players play a match, they usually play 13 games.

B

1 Saturday 1st September 1666 was a normal day in London. The city was smaller than it is today, but the little shops were busy and

there were lots of people in the streets.

2 Just after midnight that night, something happened in a bread shop in Pudding Lane to change everything. A small fire started in the building.

C

Most people lived in small houses in those days. These houses were very close to each other. The floors at the bottom of the houses were made of stone, but the rest of the houses were made of wood. The fire moved first to the houses and shops on each side of the bread shop, jumping from roof to roof. The buildings started to burn, and the fire travelled quickly from house to house, from shop to shop and from street to street. The fire moved very fast through the buildings and burned for three days, from Sunday 2nd until Wednesday 5th September.

D

3 After the fire, the buildings made of wood were not there anymore, but many churches and the famous castle, the Tower of London, were still there because they were made of stone.

4 So the people of London decided to make new buildings of stone. You can still see many of those stone buildings from after the fire in London today. One of the most famous is a church. It's called St Paul's Cathedral.

When Daniel Seddiqui was 26, he travelled around the USA for a year. He visited all 50 states and worked for a week in each one. He didn't use buses or planes – he travelled by car from job to job. He earned money for every job he did, but hotels were too expensive for him. He usually stayed in his boss's home, or with one of the other workers. 'People were very good to me,' says Daniel. 'They looked after me really well.'

But why did Daniel do this? And did he enjoy it? 'Yes, I did! I wanted to travel and learn about my country,' he says. 'And I wanted to try lots of different jobs.'

In week 38, he was a cook in a fish restaurant in Maryland. 'That was really hard! Often I didn't even have time to get a drink of water.'

Other jobs were fun. He worked at a theme park in Florida and as a model in North Carolina. He was a football coach in Alabama. In Alaska, he was a photographer. 'That was great.

Alaska is a very beautiful place,' says Daniel.

Things weren't always easy for Daniel. In week 7, he worked as a farmer in Nebraska. 'The days were long, and I got really dirty,' he says.

STUDENTS

1 Read the article quickly. Where did Nina and Julia do work experience?

Nina and Julia are 14 years old and go to school in London. But they weren't at school last week – they were doing work experience. This is when young people spend a few days doing a job. They don't earn money, but they work hard and learn about the world of work. Nina's job was in a café and Julia worked for a TV company. We asked them to tell us all about it.

Nina:

I was really happy about working in a café, because I'd like to be a cook one day. But I didn't do any cooking at all.

Instead I served food and drinks to the customers, cleaned the tables and washed the floor. The café opened at 7 a.m. and closed at 6 p.m., but my working hours were 6 a.m. to 2 p.m. The staff were friendly, but we didn't have much time for talking. We were all really busy!

Julia:

I worked in the office of a TV company. At first, I was upset about that. My plan was to work in a TV studio, not in an office. But the staff were all very nice to me, and I learned a lot about the business. I started at 10 a.m. and finished at 6 p.m. In the morning, I opened all the letters. Then I helped my boss with different jobs. Sometimes I answered the phone. Other times he asked me to use the computer to look for information he needed. I was often so busy that I only had ten minutes for lunch!

2 For each question, choose the correct answer.

1 From the introduction we learn that the girls **A** enjoyed their jobs.
B worked in different places.
C were sorry to go back to school.

2 What work did Nina want to do at the café? **A** cleaning B cooking
C serving food

3 What does Nina say about her working day? **A** It was very long.
B It started too early.
C There was a lot for her to do.

4 Why was Julia upset in the beginning? **A** She didn't want to work in an office. **B** She didn't like the people she worked with. **C** She knows nothing about the TV business.

5 Julia often didn't have much time to **A** eat her midday meal.
B answer the phone.
C speak to her boss.

SEE THE OLYMPICS

When Chen Guan Ming was a young man, he never travelled far from his farm in a small village in China. But now he is famous for fol lowing the Olympic Games around the world in his three-wheeled rickshaw. The story began in 2001, when he heard that the games were coming to Beijing. He left his village and cycled 90,000 km all over China, visiting 1,764 cities before finally arriving at the famous Bird's Nest Stadium. Then, he decided to travel to London for the 2012 Olympics. In 2010, he packed his things into his rickshaw and began his journey. He **slept** in his rickshaw and sometimes worked for food and money. Finally, he got to France, and **caught** a ferry to Britain. He only travels by boat or plane when there's no other choice. When he arrived in London, he **met** lots of tourists and **told** them his story. Some people didn't believe him. Then he showed them the stamps in his passport, and the photos of himself at places like the Eiffel Tower in Paris and Petronas Towers in Kuala Lumpur.

After the London Olympics, Chen left his rickshaw in the UK and caught a flight home to plan his next trip – to the Rio Olympics. In 2013, he **flew** back to London. He **put** his rickshaw on a ship to Canada, and he **took** a plane there. A friend **paid** for his flight ticket. Then, he **got on** his rickshaw and **rode** to Brazil through the US, Mexico and Central America. The journey took three years. He **had** an amazing time in Rio and **made** lots more friends.

FAVOURITE PLACE by Rebecca Grant

Today, I want to write about my favourite place.

It's by the window in my bedroom. I've got a dark red armchair and a blanket. My grandma made the blanket for me when I was little. Next to the chair

is a bookshelf with my favourite books, and there's also a little chest of drawers. On top of it, there are some stones I collected from the beach. I've got a few photographs on one side of the window and a mirror

on the other side. I've got curtains on my window, too. Do you have a favourite place at home? Is it in your bedroom, or in the sitting room, or somewhere else? Maybe you don't have one, but you want to make somewhere you like special. Then here are a few ideas to help you create your special place.

Light is important in a room. Is there natural light or do you need a lamp?

You don't need a lot of furniture. A chair or an armchair is enough. Or you can put a few large cushions on the carpet in a corner. You don't really need anything else.

What colours do you like around you? Use something like cushions to give colour to your bed. Posters and blankets work well for colour too.

Now you can collect some favourite things to put in your special place.

Remember, no one is the same, so everyone's favourite place is different. Anyone can make their place special.

5 **Read the article again. Are the sentences right (✓) or wrong (✗)?**

FAVOURITE PLACES

1

Last summer, I spent four weeks on the north-west coast of Scotland in a little house by the sea. In the evenings, I sat by the open window and listened to the sound of the wind and the waves. It was wonderful. After breakfast, when I went out to paint and draw, I always had lots of ideas for pictures. Most days, I didn't see anyone except my neighbour. He was a fisherman. He really liked my work, and I sold him a drawing for his wall.

TALKING POINTS

Where is your favourite place? Why? Describe it.

I grew up in a small town in Ukraine. My grandma took me for walks and told me everything about the animals and plants there. When I was 19, I went to music school in Dnipro. At first, I loved the big city. Then I started writing my own songs about, guess what, nature in and around my home town. So, five years ago, I moved back, and now I don't want to live anywhere else.

3

Paul Davidson,

dancer

I started dancing when I was very young. It was hard work, but I was good, and I danced with famous companies in the USA and Europe. I didn't really have a home, so when I had enough money I bought a tiny flat in London. I love it there. The world of dance is busy and tiring, and it's great to be able to get back to my flat. I close the door, lie on my bed and listen to music.

Now join these sentences using ***so*** or ***because***. 1 I'm wearing my coat it's very cold. 2 The bus didn't come on time, we were late for school.

3 I was tired, I went to bed.

BEST BUY?

I got my best buy yesterday! My parents bought me warm things for my skiing holiday – socks, gloves and a scarf. Then I saw an amazing black and purple jumper with pockets. I don't really need it, but I bought it anyway.

I just love clothes! My best buy last year was a pair of bright red boots. Cool! I wanted to get some like my brother's. His are green, but now I like mine best. I'm wearing them right now.

Tell your dad it's great he wants to buy your clothes for you, but say *you* want to choose them sometimes. I got things for a holiday. I got pale blue swimming shorts and sunglasses. Oh, and black trainers – the best thing is a bright blue cap!

Your clothes sound amazing! Mine are all so boring! Dad takes me shopping, and he buys me what *he* likes. Yuk. Last week he bought me a pale grey suit and a pale green tie for my cousin's wedding! They're just like his! Can you believe it! You're both so lucky.

What great clothes – except the suit (sorry, Ed!). My sister and I always like the same clothes and our best buys last summer were swimming costumes!

Cory Nieves, or Mr Cory, is from the United States. He started his business when he was six years old because he was tired of getting the bus to school. He wanted to make some money to help his mum, Lisa, buy a car. First, Mr Cory sold hot chocolate in front of his home in New Jersey. He did well, and he began to sell other things too, like lemonade and cookies. Mr Cory and his mum tried a lot of different recipes for cookies. Then, one day they baked some perfect chocolate chip

cookies. Now they bake a lot of different cookies and sell them on his website mrcoryscookies.com. You can also buy them from shops. The cookies are all natural, and Mr Cory and his mum still try the recipes at home before they sell them to customers. Mr Cory also works with organisations that help young people in the United States.

Bella Tipping is Australian. She got the idea for her website while she was on holiday with her family in the US, when she was 12 years old. Bella and her mum talked about their experience. Her mum said the vacation was great. When Bella didn't agree her mum was really surprised. Bella said a lot of things in the hotels and restaurants were for adults not children. The places didn't think about what children wanted or needed. So, Bella started her website called Kidzcationz, where children can post their reviews of hotels and restaurants. Now, when families are planning their holidays and looking for places to stay and eat, they can look at the Kidzcationz website first to see which places are best for children.

Shopping

1 **In pairs, discuss the questions.**

1 Is your home or school near a shopping centre, street market or charity shop?
2 How are small shops and shopping centres different?

2 **Read about shopping in different countries. Where do *you* do your shopping?**

Shopping is an important part of people's lives. People often want to buy different things at good prices. In English-speaking countries, these types of shops are popular:

★ **Charity shops:** People give these shops clothes, books and other things they don't use or want anymore. These shops then sell these things to other people. Charity shops give the money they make to help others.

★ **Street markets:** In these open-air markets, people sell vegetables, cheese, honey and other local items. ★ **Shopping centres:** These are big, modern buildings with lots of shops and places to eat. In the United States, shopping centres are called 'malls'.

What is so great about

B

1

In the past, people didn't need sports like running to stay healthy because they were very active. But these days, many of us spend most of the day sitting down. This means we need to get some exercise in our free time, and running is a cheap and easy way to do it. It's more fun than doing boring exercises in a gym, and all you need is a good pair of trainers and some comfortable clothes. Also, it's a sport that people can do at any age – for example, Fauja Singh finished a marathon at the age of 101!

2

To make running interesting, you can enter a race. Fun runs are very popular. These are often 5 km long and are great for beginners. You can run with your friends and maybe dress up. For fitter people, there are half marathons, marathons, or even ultra-marathons. These can be 70–400 km long. One of the most famous is the Marathon des Sables which takes six days and goes through the Sahara desert.

D C

3

Running is fun and scientists say it is one of the best ways to keep fit. However, make sure you don't do it every day – it's important to have a rest between runs. Running improves the health of almost every part of your body, including your brain. It can make you feel happier and healthier, and live longer. It also helps you sleep well, and that gives you the energy to enjoy your life more. Perhaps it's the perfect sport!
